

## KN Modi University Courses

KN Modi (DKNMU) University is a private university situated in Newai, Rajasthan. The university offers a range of courses across various streams. The courses offered by KN Modi University include undergraduate, postgraduate, certificate/diploma, and also has a course in Animation & Cyber Security. KN Modi University is renowned for its wide range of innovative advanced UG and PG courses for students which gives students an insight into both the theoretical and practical aspects. The courses at KN Modi University are designed keeping in mind the students' requirements and offer a lot of exposure, which helps the students get job opportunities in some reputed companies.

Some of the UG courses offered by the university are Bachelor of Arts, B.Sc (Hons) Agriculture, B.Sc Mathematics, B.Sc Biology, B.Arch, BA LLB, LLB, B.Tech in Computer Science etc. The PG courses on offer by Dr. KN Modi include courses such as M.Tech in Energy Engineering, Executive MBA, LLM, MCA, MBA, M.Com, and MA in all courses. In addition to the UG and PG courses, diploma courses such as diploma in computer science, electrical engineering, pharmacy, mechanical, and PG diploma in cyber law are also offered by the university. The courses offered at DKNMU are accredited by the BCI, PCI & Council of Architecture for related courses.

Students can also pursue Ph.D from the university and in order to pursue this course, they will have to appear for the research aptitude test and subject specific test. Both papers include objective and subjective type of questions. The candidates who score 50% and more in both the tests will be eligible to appear for the interview.

The living testament to the credibility of the courses offered at DKNMU is obvious from the fact that DKNMU has been ranked A++ by leading publications in the country. In addition, DKNMU was awarded the Best University for ICT 2015, amongst others!

To ensure that education is available to students of merit, DKNMU offers a range of scholarships to deserving students.
