23/2/19	Dr. Girish Sahni Ex DG CSIR & Secretary JSIR, GoI CSIR Bhatnagar Fellow.	9888371548	A visit that will remain in my mind - and heart - always! The vision and foresight of the founders, the focus & dedication of Dr. D. Madhvi, and the ambience and 'smell' of the institution are remarkable indeed. I hope and pray the University keeps on making great progress, in the decades to come - and become an inspiration for other institutions of India. <u>Girish Sahni</u>
