

International Journal of Interdisciplinary Research

(A Peer Reviewed Journal)

ISSN 2394-8361 (Print)/2455-1600 (Online)

ABOUT THE JOURNAL

IJIR is a "peer-review" and "referred" and "widely accepted" International journal. It is the committee through which experts in the field of study assess the quality of articles/journals that are submitted to it for publication. It is an open access journal that publishes high-quality research articles in the field of Science, Technology, Management and Humanities. The Journal welcomes the submission of manuscripts that meet the criteria of significance, academic excellence and great ideologies. Papers will be published approximately one week after acceptance. Every manuscript is reviewed by two reviewers familiar in the relevant field of research. Our motto is to provide the quality information and knowledge that enable our readers to perform their jobs efficiently, continue their education, and help contribute to the advancement of their chosen markets. Our readers are researchers, students, academics and increasingly professionals. We help our academicians advance science and health by providing world-class information and innovative tools that help them make critical decisions, enhance productivity and improve outcomes. We develop online information solutions that help professionals achieve better outcomes and results.
